The Sebel Cairns Hotel

### **Parking:**

There is one parking bay provided for guests in the under cover car park located next to the lifts.

If travelling by coach or taxi there is a set down area immediately in front of the hotel. To access the hotel lobby you will have to travel back down the driveway and join the ramp from the footpath.

### **Entry into reception**

Access into reception is through a double automatic door, the concierge will assist you with your baggage and parking requirements as requested. Reception is a large tiled level area with ample seating. The reception counter does not have a lowered section for wheel chairs, but staff will assist guests if required.

### **Lifts:**

Four lifts are provided for guests in the hotel, the lift dimensions are: door opening 1000mm, internal width 1800mm X 1720mm depth. The control panel is located at 900mm from the floor and does not have tactile and Braille buttons fitted. Hand rails are also fitted within the lifts 810mm from floor to top of rail.

### **Public Areas:**

Access to the swimming pool deck is via a ramp, some guests may require assistance when using a mobility device. The pool will not be accessible to all guests using mobility devices. The hotel restaurant Coco's is accessible including access to the buffet.

The hotel Day Spa is accessible to people using mobility devices. The Lobby Bar is only accessible from the outside of the hotel as there is a set of steps leading from the hotel lobby to the bar. Access into the Lobby Bar

is through a large double door with a 50mm threshold step to negotiate. Once in the bar area there is still a step down to the actual bar, table service will be required by a person using a mobility device.

### **Accommodation:**

The accessible guest rooms with interconnecting rooms are on level access with no steps or sills. The door handles are L style levers and the door widths are 740mm with light opening force required.

Room furniture can be moved to suit the guest's requirements.

The accessible bed room has a double bed and there is ample room to move around it. There is 1500 mm clear space at the widest point. Under bed clearance is 100mm and height to the top of the mattress is 550mm. The wardrobe is fitted with blocks to add a lowered clothes hanging rail if required.

The room balcony has a small threshold over the sliding door rail and may not be accessible to all guests.

### **Sanitary Facilities:**

Entry into the accessible shower and toilet is through a wide door with a clear width of 770mm.

The facility is a combined toilet and shower with a dimension of 3060mm long by 1620mm wide. The shower is hob less and is easily accessible with horizontal and vertical grab rails fitted. There is no mounted drop down seat provided but the hotel provides an approved portable seat upon request. Alternatively a shower commode can be hired from Phoenix Medical and Prescription and delivered to the hotel if required. Contact Phoenix on 4041 3629. The shower and sink are fitted with flick mix taps.

Only one grab rail is fitted to the toilet and is mounted 810mm from the floor to top of grab rail (see photo). The toilet seat is 470mm from floor and the centre of pan is 450mm from the side wall.

Clearance to the under side of the sink is 700mm with a top height of 810mm. The base of the mirror is 1020mm from the floor.
