Web: www.cairnscolonialclub.com.au

Room numbers: Two accessible rooms with interconnecting rooms

The resort is located 4KM from the CBD and 7KM from the airport.

Parking:

There is one designated accessible parking bay immediately in front of reception with several reserved spaces that can be used if required. There is an undercover area for drop offs immediately in front of reception.

Entry into reception

Entry into reception is through a large open level area with no steps or thresholds.

The reception desk does not have a lowered section for wheel chairs but staff are very friendly and will assist where necessary.

Access to public areas

Entry into the restaurant is through the main foyer, there are no steps or lips into the restaurant making access very easy to tables and the buffet.

The Pool bar and pool is close to the accessible accommodation and the paths are level and well constructed making access easy. There are three pools in total on the property with the most accessible pool being located next to the pool bar. The pool will not be accessible to all levels of disability.

The Jardine restaurant and Fitness Centre are not accessible due to stair access.

Accommodation:

The accessible guest rooms are located close to reception on the ground floor. Access into the room is over a level threshold with no sills, the door width is 780mm clear opening. The doors are light and easy to open with D style levers and no force required to push the doors open.

Accessible room

Room furniture can be moved to suit the guest's requirements, just notify staff when booking and they will be more than happy to assist.

The bed room has two king single beds that can be zipped together to make one king bed, please advise requirement when booking. Under bed clearance is 100mm and the height to the top of mattress is 530 mm. Clear spaces from side of bed 800mm or 2.5m if one bed removed.

The interconnecting room is a mirror image of the accessible room. There are no accessible bathroom facilities in the interconnecting room.

Accessible bedroom note emergency call button and grab rail next to bed

There is a writing desk provided with a height to the top of the desk at 700mm and a clear height from the floor of 670mm. There is a coffee/tea making facility and small bar fridge underneath. The TV and air conditioning can be controlled by remote controls from the bed. Clothes hanging in cupboard is low level for easy access.

Cupboard/coffee and tea making area TV and writing desk

Sanitary Facilities:

Entry into the accessible shower and toilet is through a 625mm clear opening door. The facility is a combined toilet and shower with a dimension of 2200mm long by 1830mm wide. There is no drop down shower seat but a portable shower seat is provided. A shower commode can be hired from Phoenix Medical and Prescription and delivered to the resort if required. Contact Phoenix on 4041 3629. Horizontal and vertical grab rails are provided and the shower rose is adjustable with flick mix tap.

Grab rails are fitted to the toilets and are mounted 770mm from the floor to top of grab rail. The height from the floor to the top of the pan seat is 440mm and 480mm from wall to centre of seat. The sink is located 460mm from the front left side of the pan, this may hinder some transfer styles.

Clearance to the under side of the sink is 680mm with a height to top of sink at 810mm. The mirror is full length from floor to ceiling.

An emergency call button is located between the shower and toilet.
