Room numbers: Four accessible rooms

Parking:

There are no designated accessible parking bays for Gilligan's resort, but there are parks in the street in front.

Entry into reception

There is a good wide ramp which is 1240mm wide onto the area where the reception is, which has both a large automatic door which is 2079 mm wide and a manual door. The reception area is a large open plan room with ample seating and 10 computers for customers. It doesn't have a lowered section for wheelchair users, but staff are willing to help.

Access to public areas

There is good access to the all areas, although the pool has rounded edges, it has no ramp or chair for wheelchair users and may not be accessible to all guests.

Accommodation:

The accessible guest room is on level access with no steps or sills. The door width is 875mm and is fitted with D style handles and requires slight force to open.

The rooms are configured with 4 single beds (see photo). Under bed clearance is 380mm and the height to the top of bed is 580mm.

The widest accessible point from the side of the bed is 1200mm. There are 4 cupboards each with a hanging space at 710mm high.

Sanitary Facilities:

Entry into the accessible shower and toilet is through a door with an opening of 895mm. The facility is a combined toilet and shower with a dimension of 3200mm long by 2040mm wide. It is one large room with a fixed shower chair, which is in need of repair and is going to be replaced with a mobile chair. The shower has no grab rails. A flick mix tap is provided and is easily reachable when sitting in front of the shower.

There is a long grab rail fitted beside the toilet and is 800mm to the top of the grab rail. (see photo) The toilet is mounted 470mm from wall to centre of pan. The seat height is 450mm from floor to top of seat. The sink is located 2040mm from the front of the pan.

Clearance to the under side of the sink is 645mm with a top height of 800mm. The base of the mirror from floor is 830mm.

There is no emergency call system in the bathroom.

The large accessible bathroom

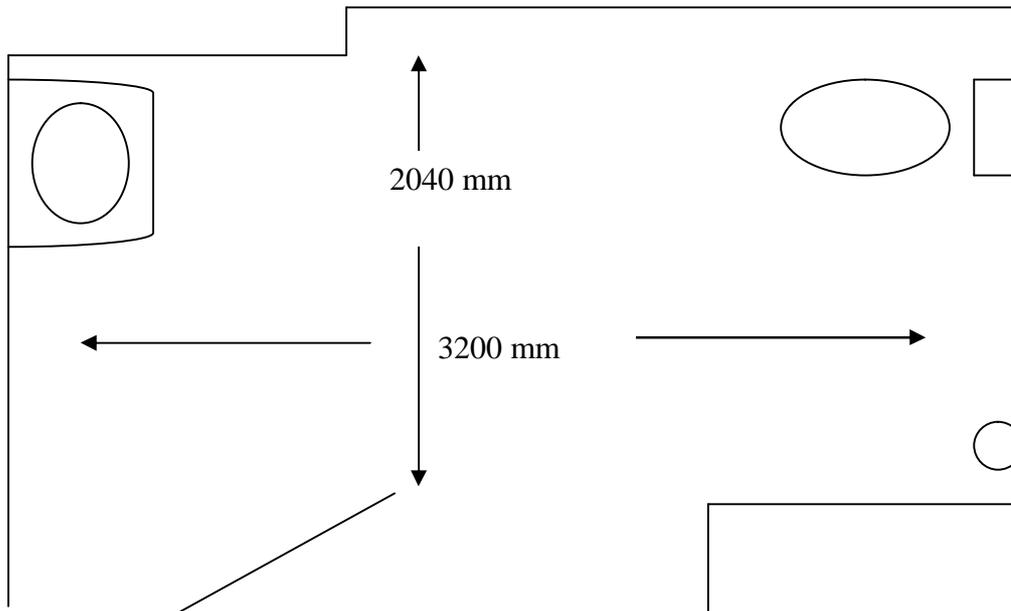

Diagram is not drawn to scale.

Each floor has a large dining/kitchen area, which has a cupboard with sections for individuals, 2 large fridges, 2 stoves, a microwave and two sinks. The tables in the area are high with stools.

General:

Assistance dogs are welcome on the premises.

The accommodation is located in the CBD and you will be in close proximity of many great restaurants and the night life of Cairns.
