Room numbers: Three accessible bungalows suitable for up to five people

Kewarra Beach Resort, Cairns

Parking:

There is no designated accessible parking bays located at the resort, and no under cover drop off areas. The conventional car parking located immediately in front of reception does however have options for parking if required and the resort staff will set up a car park for you if you provide notice when booking.

Entry into reception

Entry into reception is via a small kerb ramp to the side of the single step into the main foyer.

Reception is a level tiled area with ample seating. The reception counter does not have a lowered section for wheel chairs but staff will assist guests if required.

Reception desk

Lounge furniture in main lobby

Access to public areas

There is reasonable access to the pool area, The pool will not be accessible to all guests, but those with an ability to transfer may be able to access the pool.

Pool area

The restaurant and bar is accessible through reception, there is currently no accessible toilet located in the reception or restaurant area.

Dining area

Accommodation:

The accessible bungalows are located a short stroll from reception. The pathways leading to the bungalows range from bitumen to compacted road base. This may cause some issues to guests during the wet season when traversing the compacted road base.

A rubber door mat has been placed just in front of each bungalow on top of some pavers, the pavers may impede some guests (see photos)

Rubber mats in front of bungalows

Entry into the rooms is through double sliding doors with a clear width of 1500mm. There is a 20mm door track to cross over and may be difficult for some guests. Room furniture can be moved to suit the guest's requirements, just notify staff when booking.

The bedroom clear opening door widths are 1410mm, the bungalows are configured with a room containing two single beds and a room with a queen size bed (see photo). Under bed clearance is 120mm and the height to the top of bed is 570mm.

The accessible bathroom is located next to the single bed room.

The widest point from the side of the bed will vary with the configuration but you will on average achieve 1100mm.

A small dining table is provided in the room with a top height of 780mm and a height from floor to underside of 660mm. There is a coffee/tea making facility and small bar fridge provided for your convenience. The TV and AC can be controlled by remote. The height of the cupboard clothes rail is 710mm above the floor.

All the switches are located 1100mm from the floor in easily accessible locations.

The room's patio is very spacious and is surrounded by the sounds of silence in a most relaxing atmosphere.

Room view looking to balcony (Note door track)

Sanitary Facilities:

Entry into the accessible shower and toilet is through an 910mm door. The facility is a combined toilet and shower with a dimension of 3550mm long by 2360mm wide. A drop down seat is provided or a shower commode can be hired from Phoenix Medical and Prescription and delivered to the accommodation if required for approx. Contact Phoenix for more details on 4041 3629.

The shower seat has dimensions of 490mm from floor to top of seat, 950mm Long and 410mm wide.

Grab rails are fitted to the shower both vertical and horizontal (see photo)
A flick mix tap is provided and is easily reachable when sitting in front of the shower.

A grab rail is fitted to the toilet which wraps around the cistern, this may cause discomfort to some guests. The toilet is mounted 420mm from wall to centre of pan. The seat height is 460mm from floor to top of seat. The sink is located 1060mm from the front of the pan.

Clearance to the under side of the sink is 650mm with a top height of 765mm.
The base of the mirror from floor is 930mm.

General:

Staff are very friendly and will assist with baggage if required.

Assistance dogs are welcome on the premises.

The accommodation is located a short stroll from the beach. Access to the beach will be difficult in a mobility device when crossing the sand. The resort does have a buggy and if you are able to transfer into the buggy they can transport you to the beach dining area.

The City is approx 25mins south and Palm Cove approx 10 mins north. Port Douglas is approx 45mins north.
