### **Lifts:**

Lifts are provided for guests and have a floor space of 2100mm long by 1500mm wide. The control panel is located at 900mm from the floor and has tactile only buttons fitted. Hand rails are also fitted within the lifts 810mm from floor to top of rail.

One of two lifts

### **Access to public areas**

The resort has good wide paths that lead from the reception area to the resort pool and to the adjoining hotel/bar. Within the resort located on the ground level are a café, shop and accessible toilet. The first floor has a restaurant and accessible public toilet.

### **Accommodation:**

The accessible guest room with interconnecting room is on level access with no steps or sills. The door handles are L style levers and the door widths are 800mm.

Room furniture can be moved to suit the guest's requirements. The circulation space within the lounge room is very good and large wheelchairs will be able

to move unhindered. The kitchenette is has a bench top height of 850mm with 670mm clearance under the sink. The microwave can be brought down to bench level if required, staff are more than happy to assist.

The main accessible bed room has a queen size bed and there is ample room to move around it or it can be moved easily to allow greater room to one side. Under bed clearance is 120mm but the resort will provide bed risers to assist guests requiring the use of a hoist. Please ask when booking.
